JSR Middle Academy Presentation

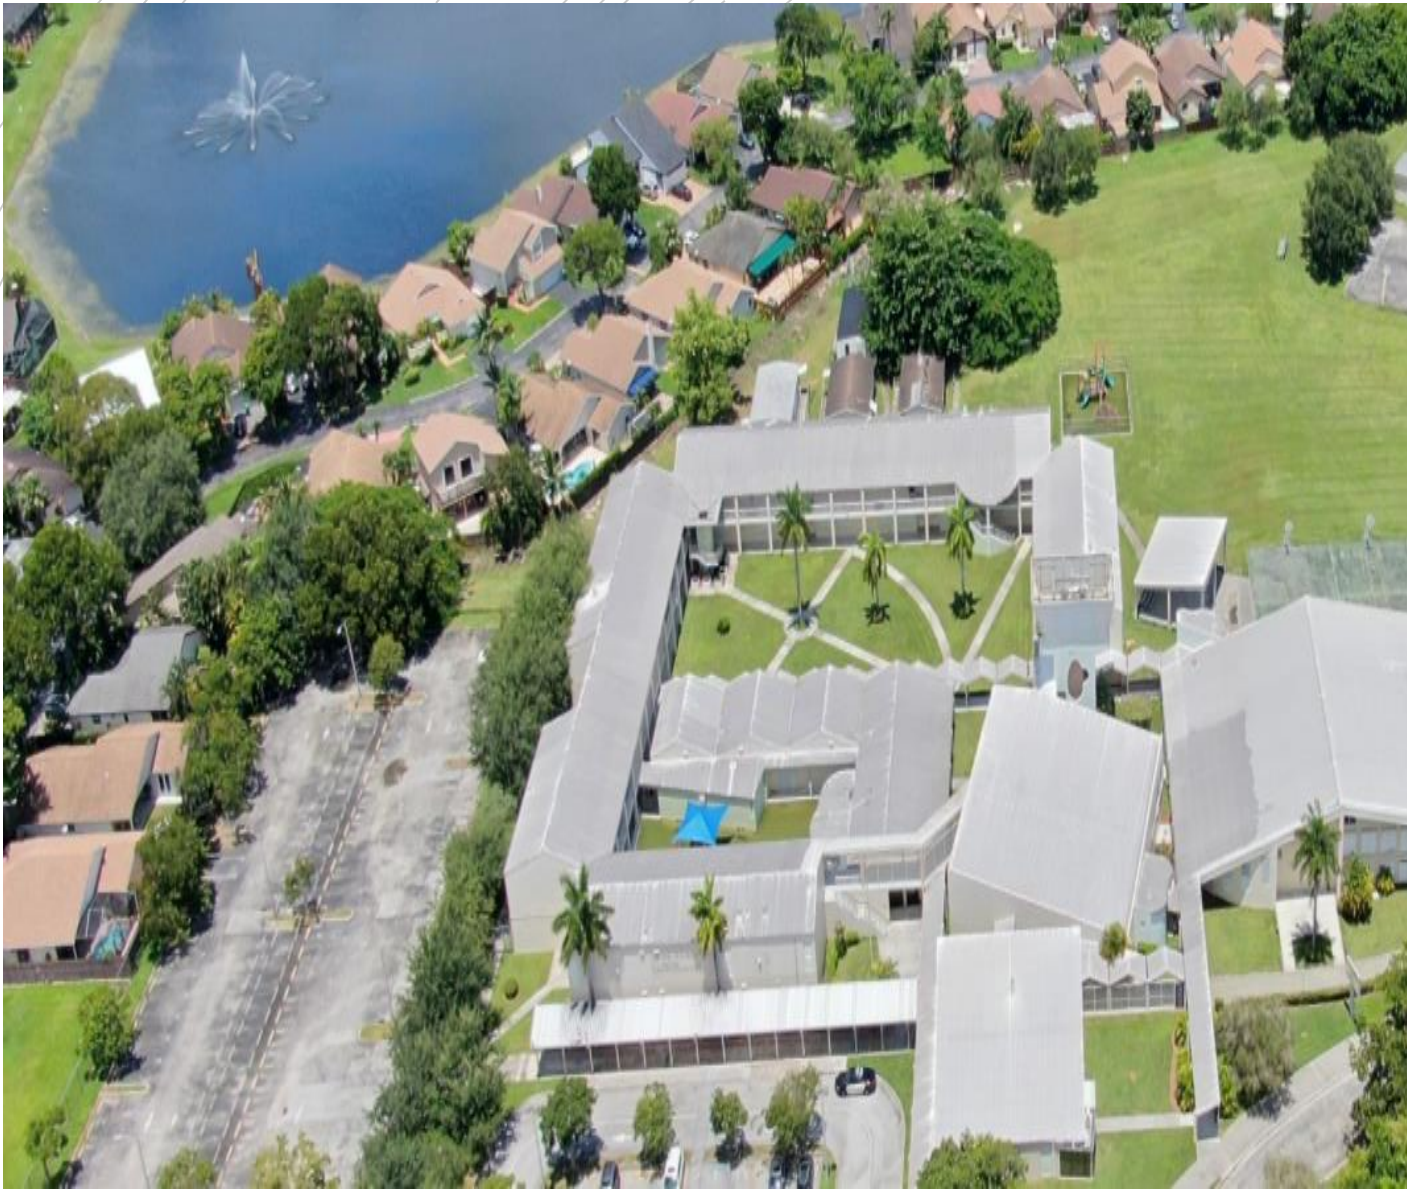

“Smaller school, bigger results”

SCAN ME

A photograph of the exterior of the Jane Roberts K-8 Center. The building is a single-story structure with a light beige wall and a grey corrugated metal roof. A large palm tree stands in front of the building. In the background, there is a tall, white, cylindrical water tower and a telecommunications tower. The sky is blue with scattered white clouds. A covered walkway with a grey corrugated metal roof runs along the front of the building.
